Hi Jane,

I have some great news for you. I went to an adventure camp on my last summer holiday. Every day, we got up very early and it was difficult for me because I hate getting up early in the morning. On the first day, we tried bungee jumping. I think it is the most exciting extreme sport. I tried it twice. I wasn't scared but I know it is risky. On the second day, the weather was very good so we went scuba diving. It was my first try so I was worried. I tried it and I saw lots of interesting fish under the sea. I also took lots of photos. I think scuba diving is easier than bungee jumping. On the last day, I went on a kayaking tour. I had so much fun. I will never forget this adventure holiday. Maybe, one day we can go to an adventure camp together and have lots of fun. Write to me soon.

Best wishes
